CALL TO ORDER

Mayor Harwood opened the hearing for public input on proposed parking restrictions on Nantahala St. between Henderson and Boyden Streets.

PUBLIC COMMENTS

Dale Ward called parking restrictions in that area unnecessary. Vehicles that park there are usually visitors.

Almond said comments Harwood and Town Hall received regarding on-street parking in that intersection were mostly about collision and near-miss concerns when vehicles turning entering Nantahala St. with the lane blocked were met with head-on traffic.

Milano noted parking parallel is required to be with the flow of traffic rather than facing the oncoming lane, as the current situation involves.

Council will host a second public hearing to gather input after residents receive a letter from Town Hall.

Harwood closed the May 11, 2021 public hearing.

Minutes approved June 8, 2021.
