BUSINESS

Council discussed commercial/residential driveways. Badin Ordinance 155.124 - 155.088 includes driveway requirements. Since an ordinance/statute addresses council's intent, they may add to the existing ordinance if needed. Ward said residents should get a permit from town hall to install driveway pipe. Lowder recommended the website say to check town ordinances before projects. Chambers suggested Facebook. C. Council suggested RAVE and modify the web link for visibility.

The council discussed adding to the storm water project list. Board consensus is for to Almond add a web site notice directing people to ordinances. Lowder suggested adding Walnut St. at the waterfront park. The board discussed storm water list prioritization. It's split into in-house vs contract. Property Maintenance Dept. is working on it. Ward wants a list of what is completed. C. Council said council can help with the work. Lowder wants engineer Cliff Marshall to deliver storm water scope of work, and find a contractor for Spruce St. ditch work first. Ward and C. Council will find contractor.
