Dear Mr. & Mrs. Goddard:

The Town of Badin Zoning Ordinance allows you to install 8 or more video games in your store. This is an allowed use in the General Business district in which your store is located. You indicated you plan no more than two machines will be utilized, which does not require any approval from this office. If you have questions or if you need more information, please do not hesitate to contact me.

Sincerely,

Scott Slatton
Town Manager
